Mosa GE 8 YSXG professionele aggregaat / generator – 8 kVA

General characteristics

Brand	Mosa
Subcategory	Generator
Year of construction	2024
Hours displayed	300
Colour	Red
Condition	Used
General state	Very good
Fuel	Diesel
CE marking	Yes

Properties

Single weight	400kg
Length	150cm
Width	75cm

Description

For Sale: MOSA GE 8 YSXG Professional Generator – 8 kVA – Year 2024 For sale: a MOSA GE 8 YSXG professional power generator, manufactured in 2024. A robust, professionally built machine from the Italian manufacturer MOSA, designed for applications requiring a reliable and stable 230V power supply. With a maximum output of 8.0 kVA / 7.2 kW, this generator is ideal for use on construction sites, in workshops, industrial and agricultural applications, events, mobile operations and as an emergency or backup power supply. Technical Specifications Brand: MOSA Manufacturer: BCS S.p.A. / MOSA Model: GE 8 YSXG Year of manufacture: 2024 Country of manufacture: Italy Standard: Generating Set ISO 8528 Phase: Single-phase Voltage: 230 V Frequency: 50 Hz Engine speed: 1500 rpm Power factor (P.F.): 0.9 Performance class: G2 Protection rating: IP23 Insulation class: H Rated ambient temperature: 25°C Rated altitude: 100 m Weight: approx. 400 kg CE marked: Yes UKCA marked: Yes LTP Output LTP (Limited Time Power): Apparent power: 8.0 kVA Active power: 7.2 kW Voltage: 230 V Maximum current: 34.8 A PRP Output PRP (Prime Power): Apparent power: 7.5 kVA Active power: 6.8 kW Voltage: 230 V Rated current: 32.6 A Applications Thanks to its professional construction and power output, this MOSA generator is suitable for a wide range of applications, including powering electrical tools and machinery on site, construction sites, agricultural work, mobile workshops and emergency or backup power applications. The generator provides 230V single-phase power with a prime power rating of 7.5 kVA / 6.8 kW. For limited periods, the generator can provide a maximum output of 8.0 kVA / 7.2 kW. The low operating speed of 1500 rpm also makes this generator particularly suitable for professional applications. General Information MOSA is an Italian manufacturer specialising in professional generating sets and welding generators. This unit was manufactured in 2024 and carries both CE and UKCA markings. A solid choice for companies, contractors or private buyers looking for a professional 230V generator in the 8 kVA class. Price is marge
